

- Due Friday September 11 - work on [review and refresh packet \(due Wednesday\)](#)
- Monday September 14 - No School
- Due Tuesday September 15 - Completed Autobiography (15 holdouts, PLEASE COMPLETE THE INFORMATION SHEET USING THE LINK GIVEN)
- Due T
- Due Thursday September 10 - work on your autobiography - see separate tab for assignment (due Tuesday 9/16)
- hursday September 17 - Review and Refresh Packet,

• Due Friday - **QUIZ Polynomials through graphing** posted 9/11
 Study for Quiz Homework : complete worksheet from class [Review 2.1-3 \(answers posted below\)](#)

- Due Monday September 21 - p. 66:12, 15, 21, 22, 23, 24,
- Due Tuesday September 22 - p. 67ish: 28 (think carefully about what the question is asking), 30, 32 (30 and 32 you must find the value of a that allows the polynomial to pass through the given point. Use algebra), 39
- No homework due
- Due Wednesday September 9 - Please complete the survey - use the link <http://tinyurl.com/nr2wmsb> - **Access through your school google docs account**
- on Thursday 9/24
- Due Friday 9/25 - work on your rollercoaster polynomial packet (nothing official due!)
- Due Tuesday September 29 - [RollerCoaster Polynomial Packet](#). Your graphs must be accurately drawn (no sketches) This will be a 10 point assignment. Please be certain that all questions are answered using full sentences. Note: Final page is not included in this pdf file. Please see me if you need help.
- Due Thursday 10/1 - p. 83: 2, 4, 7, 16, 19, 24, 27 **QUIZ 2 question partner quiz**
- Due Friday 10/2 p. 84 - 18, 29, 30, 33
- **Advance Notice TEST Polynomial Friday 10/9** (posted 9/29)
- Due Monday 10/5 - 89: 9, 12, 14, 17, 20, 23, 25
- Due Tuesday 10/6 - continue working on review packet for 1/2 hour. Be certain to try #8 and #10 (use sum and product of roots) [Answers to Theorems on Polynomials worksheet](#) [Answers to Polynomial Review Packet](#)
- **TEST POLYNOMIALS FRIDAY 10/9**
- No homework due Tuesday 1-/13
- Due Thursday 10/15 p. 122: 1-7 odd, 10, 11b, 18, 19, 20, 23, 25
- Due Friday 10/16 - p. 128: 1, 3, 11, 17, 19, 23, 29, 31, 37
- **TEST CORRECTIONS, with voucher, original test and correction sheet (see sidebar) DUE MONDAY 10/19**
- Due Monday 4.1-4.2 Function worksheet 3, 4, 10, 11, 14 and the last one (no number :() **(Test corrections due today)**
- **Due Tuesday 10/20 - p. 136: 4, 5, 9, 15a, 17, 21, 25, 28, 31c, d, 33**
- **QUIZ Thursday 10/22 4.1-4.3 Due p. 166: 1-5 finish front side of function worksheet to help you review (answers)**
- Due Friday 10/23 p. 143: 2, 3, 5, 8a, b, d, 9, 11, 13a
- Due Monday 10/26 p. 143: 1, 4, 9, 12, 15 [Answers to section 4.4](#)
- Due Tuesday 10/27 p. 149: 1, 3, 5, 7, 8, 10, 12, 15, 16, 20, 25
- **Advance Notice (10/23) TEST Chapter 4 - Friday November 6th. (summary sheet below)**
- **Due Friday 10/30 (class is cancelled on Thursday) Section 4.6 p. 154: 1, 4, 5, 10, 15, 17, 21** (partner quiz today 4.4 and 4.5)
- Due Monday 11/2 p. 161: 2, 5, 6, 10, 11, 14, 15 [Answers to word problems](#)
- Due Tuesday 11/3
- Due Thursday 11/5 Review worksheet Practice Test 1-16
- **TEST Friday 11/6 - take THIRD lunch** finish review packet to help prepare [answers to review packet](#)
- [answers to text book related worksheets](#)
- Due Monday 11/9 - continue working on [piecewise tax project](#)

- Due Tuesday 11/10 - Piecewise tax project is DUE if counting in term ! Also due, exponent worksheet basics.
- **If you are completing test corrections to count in term I (functions test) Please turn them into me no later than Thursday 11/12**
