Math 620 – Mean, Median, Mode, and Range: Homework

**74 , 61 , 69 , 74 , 77 , 63**

Mean

Median

Mode

Range

29, 22, 22, 17, 33, 32, \_\_?\_\_

If I wanted the mean to be 23, what number would I put in the blank?

If I wanted the median of the above data set to be 29, what number could I put in the blank?

If I don't want the mode to change, what number would I put in the blank?
