

Name: _____ – Test Corrections

All of the following must be turned in for you to receive points back. Corrections will not be considered without the supporting papers.

*Corrections. To be completed on the correction sheet. You may make copies if you need more space.

*Your original test. Nothing new should be written on the test. All corrections should be done on the sheet.

*Your review packet

Problem Number	Most aligned to this number problem in the review packet.	Mistake (<i>pick a category and elaborate</i>) Computational Conceptual Misunderstood ? Careless	Corrected Work Redo the problem. Show all work.

How long, outside of class, did you study for the test? How did you study? How will you improve for the next exam?
